## Bring in the New Year with KidzArt!!

St. Peter School will again be offering the opportunity for your child to take KidzArt afterschool beginning **January 11<sup>th</sup>, 2012**. You won't believe what your child can draw given the right tools and instruction!

In KidzArt, we use guided instruction along with open creativity to help our students flourish in creativity and problem solving. Students learn the building blocks of the visual arts and start to see like an artist within a few lessons. A little art can go a long way. Each individual student will be encouraged and nurtured and will start to build confidence in their creative abilities.

Classes will be held directly after school and will run until 4:15pm. Ring the aftercare program bell at the back of the school to gain entrance to pick up your child.
