Dear Mrs. Sickenger:

We are pleased to announce, starting with the September 3rd St. Peter Church Bulletin, Pilgrim Dollar Store will be advertising in the church weekly bulletin. When a parishioner presents the ad at the register, a 5% donation of the net purchase amount will be donated to St. Peter School. At that time they will also have the opportunity to join our "Customer Loyalty Program".

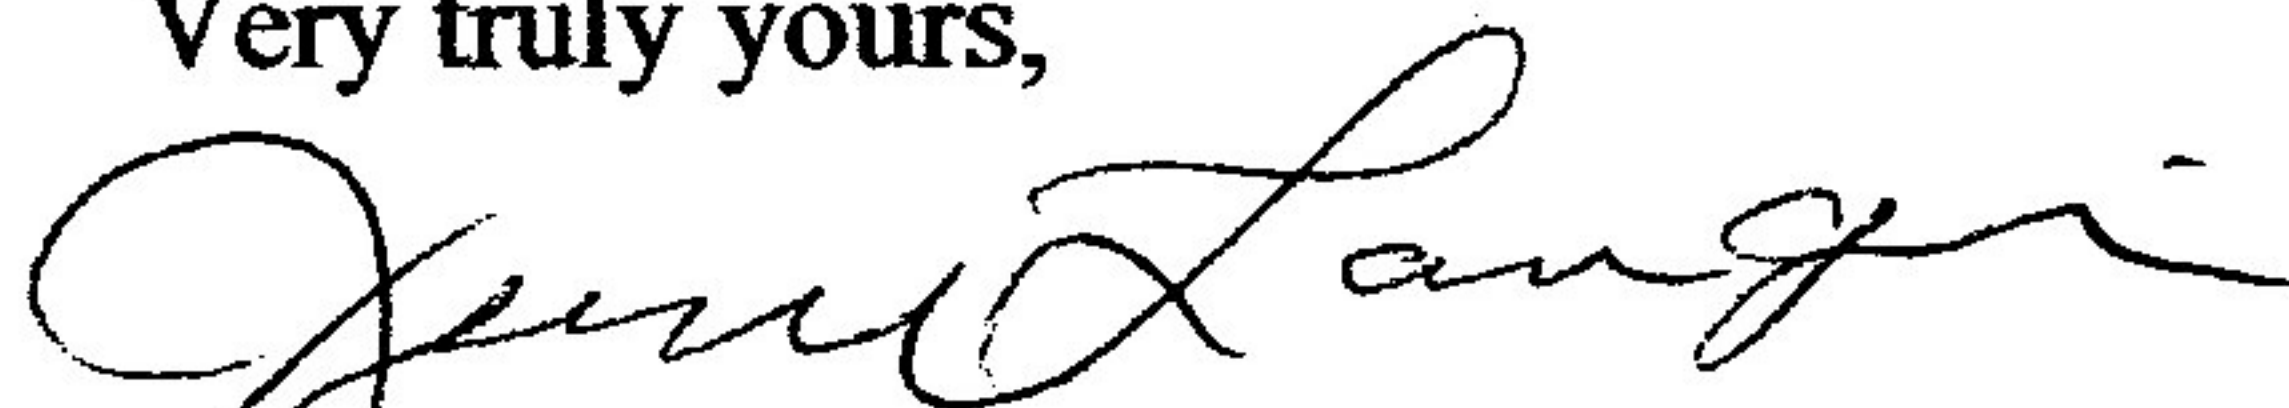

Pilgrim Dollar Store carries a full line of quality products, some of which are listed below:

- | | | | |
|-----------------------------|-------------------|----------------|-----------|
| *School Supplies | * Paper Goods | *Party Items | *Balloons |
| *Cleaning Supplies | *Houseware Goods | *Jewelry | *Food |
| *Health & Beauty | *Toys & Novelties | *Pet Supplies | |
| *Greeting Cards | *Food, Drinks | *Holiday Items | |
| * New items arriving weekly | | | |

We also have added a Dollar Plus Bargain Dept., where savings on special purchases are passed on to the customer. As an example, we have carried men & women lined leather gloves, retailing for \$20, that sold for \$4. Needless to say, they "flew" out of the store. This is just a sampling of the bargains we were able to locate and pass the savings on to our customers. In these difficult economic times, we like to be able to provide value on the purchases people are spending on many necessary items.

This is part of our "Give Back to the Community Program". Many of your parishioners are already shopping here, and this is our way of saying "thank you" for their support and loyalty. We hope you will encourage your parishioners and parents to **SHOP HERE FIRST AND SAVE \$\$\$!!!!** With each purchase, they will also be supporting their school.

Very truly yours,

June Langevin
