### User Agreement and Code of Conduct for Computer and Internet Use

1. Access to the school's computers is provided as a tool to the students of Saint Peter Tri-Parish School to complete school related projects and assignments only. Priority will be given to scheduled classes.
2. Students may not install software of any type, including games or music CDs, to individual computers or to the school network.
3. Deletions, additions or modifications to the Windows desktop are not allowed. Users may not modify any hardware or operating systems settings.
4. Students must respect the work of other students and faculty by not accessing, modifying, or deleting the files of others.
5. Optical scanners are provided for materials only directly related to school assignments and projects. Students may not scan or print any other materials.
6. Students must respect copyright laws that protect software owners, artists, and writers. Plagiarism in any form will not be tolerated.
7. While using the Internet, students must conduct themselves in a responsible, ethical manner. Students may NOT transmit, submit or publish any material that is abusive, obscene, threatening, or potentially dangerous in any way. Any user encountering such material whether intentionally or not must notify a teacher immediately.
8. Students will minimize the use of printers by printing school-related materials only.
9. Food and beverage are not allowed into the computer lab or on the desktops of computers in the library.
10. Internet use may be monitored and/or restricted at any time.

I understand that violations of any of the above regulations may result in disciplinary actions that include, but not limited to, removal of all computer privileges, suspension or expulsion.

I also give my child permission to access the Internet at Saint Peter Tri-Parish School,
