2nd Grade Suggested Summer Reading List

In order to maintain your child's current reading abilities over the summer, please encourage your child to read often. In Second Grade, the students will be asked to read about 10 to 15 minutes daily.

This summer, I ask that each second grader read at least 4 books and record them on the back of this paper. It is not required that children only choose books from this page. **Please return the list on the first day of school.**

Thank you!
